

TERRAIN

Primeway

TERRAIN training tables feature simple lines, sturdy construction and provide flexibility, mobility and technology support.

Offering great function and value, TERRAIN tables are versatile, mobile and adaptable — making it the perfect table for any training environment.

At Primeway, we create tables that enhance your working environment, whether it happens in a classroom, an office, a hospital, a hallway or a relaxed in-between space.

MAKING YOUR WORKING ENVIRONMENT WORK

TERRAIN : MOBILE NESTING SLIMLINE BASE TABLE

Terrain's legs are designed for compact, in-line nesting — **table storage made simple.**

FEATURES AND OPTIONS

Need a way to easily access and connect to the world? Our one-touch Power Port Plus is configured with two 15 amp simplexes and two data adapters to support customer supplied data/voice jacks, and enables users to easily access power and data.

Need table top power? Our one-touch UniPort can be configured with two 15 amp simplexes or one 15 amp simplex and one data adapter to support customer supplied data/voice jacks.

Need a privacy panel? Our optional modesty panels come in a variety of sizes and finishes and provide wire management solutions.

Need a way to connect your tables? These optional Quick-Connects will link your tables for whatever table configuration you desire.

Need a way to flip-and-fold your tables? This simple, safe, single activation, flip mechanism allows you to flip-and-fold with ease.

FINISHES SHOWN ON FRONT COVER:

24" x 60" Terrain Table

Top: Auburn Pearwood with Metallic Silver Edge; **Base:** Silver Metallic
