

Primeway

TERRAIN: A New Base for a Great Table!

MAKING YOUR WORKING ENVIRONMENT WORK

Effective **August 1, 2011** Primeway Inc. released a slightly redesigned base for the **Terrain** Training Table. This new base allows for a sturdier, more durable table that can hold more weight and withstand more use than ever before. It will provide the stability you need with the look you desire.

Standard table features:

- Provides flexibility, mobility and technology support
- Contemporary slim line frame design with powdercoat finishes
- Single action flip top mechanism
- Nesting capabilities
- Wire management
- Locking casters
- 10 Standard TFL finishes
- 20 Standard HPL finishes
- Complete accessory package
